Industrial Automation & Controls Distributor

- Manufacturer Provided Trainings & Seminars
- Custom Din Rail Assemblies & Din Rail Cutting Services
- Oil Tight Switch & Pilot Light Assembly
- Value Added Wire Harnesses and Cable Assemblies
- Custom Kitting and Assembly Services
- EDI, Dock to Stock and Bonded Inventory Programs
- Custom Molded Connector Design & Manufacturing Services
- Prompt, Courteous and Product Knowledgeable Sales Staff

Electric Motor Repair

- Motor Rewind and Pump Repair and Rebuild
- Load Testing and Balancing
- Service both AC and DC Motors
- Authorized Factory Service and Warranty Repair
- Repair Capacity to 500 HP
- Quick Turnaround
- Pick-up and Delivery
- EASA Member

Electrical Field Service

- Licensed Electrical Contractor
- Industrial and Commercial Electrical Maintenance
- Electrical Installations and Upgrade
- Machine Troubleshooting and Repair
- Motor Control and Drive Repair
- Variable Speed Drive Service
